

*Center for Molecular Protein Science
Lund University*

MINISYMPOSIUM

11 MARCH 2011

14:00 HALL C

Hsp70 in cancer cell survival

Marja Jäättelä

*Institute of Cancer Biology, Danish Cancer Society,
Denmark*

**Glypican-1 a chaperone involved in
protein quality control and
neurodegeneration**

Katrin Mani

*Department of Experimental Medical Science,
Lund University, Sweden*

**Prevention of protein aggregation by heat
shock protein chaperones**

Cecilia Emanuelsson

CMPS, Lund University, Sweden

**after the seminars
pub in biochemistry coffee room**

organised by CMPS Ph. D. students: Kristina Nordén, Cecilia Månsson, Yusra Al-Eryani
